				5 May 2027	12 May 2027

Friday 30 April 2027
Final Orders
(2 weeks before end of season)

Friday 14 May 2027
Last day of season

NB: If your channel is not listed here, it is a non-rostered channel. Non-rostered channels run on demand based on customer water orders throughout the season.

Like non-rostered channels, rostered channels will operate only when there is sufficient demand, to reduce water losses. Some rosters may not run if large water losses will occur. Orders may be delayed in times of low allocation.
